INSTRUCTIONS FOR FILING 2004 ANNUAL REPORT & RETURN FOR ASSESSMENT

Gas Pipeline Companies

Enclosed is a copy of our **Annual Report** for the 2004 assessment year. The Federal Energy Regulatory Commission's Annual Report, Stockholder's Annual Report, and the Form 10-K (if required to be filed with SEC), and audited financial reports of the respondent to its parent company are required as supplements to our **Report**. If properties are located in more than one state, list the Utah properties by FERC classification of property. Please furnish the name and telephone number of the person(s) to contact regarding these reports.

When preparing your **Return for Assessment**, if additional taxing areas are added please type the taxing areas in the same sequence and with the exact wording as our 2003 nomenclature. Companies that receive the 2004 nomenclature should correct the **Return for Assessment**, if necessary. Insert the cost figures but do not report cost as a minus figure.

When completing your **Return** for real estate, please edit these descriptions using red ink to show deletions or additions made during the year 2003. Include the cost of new acquisitions and the proper legal description on the **New Additions** form enclosed. This form is for reporting new property only, not changes to existing properties.

We categorize properties by serial number with section, township, range and acreage whenever possible. If you have further information concerning acreage, or have company cross-reference numbers, please add these to the **Return**. Include an address, survey coordinates, etc. in the property description. We have a GIS system that is able to calculate mileage within a tax area and help locate properties within a tax area. If you would like to know more about this or need help locating tax areas, please call Terri Chidester at (801) 297-3612.

To properly apportion the operating properties of your company, it is essential that you submit to us by location, according to our nomenclature, the cost of materials and supplies that should be included with personal property. Please report construction work in progress by individual property. A form to facilitate the exclusion of motor vehicles is included in the **Annual Report**.

The UTAH CODE ANNOTATED, 1953, 59-2-202 requires all taxpayers subject to assessment by the Utah State Tax Commission to furnish the **Utah Annual Report and Utah Return for Assessment**, accompanying this letter, on or before March 1, 2004. For good cause, the Commission may allow a short extension of time to file. Extensions will not exceed 30 days and written notarized requests will be considered only if received prior to March 1, 2004. Please refer to the **Notice** included in the **Annual Report**.

Unless an extension has been obtained, **Annual Reports and Returns for Assessment** that are received incomplete or after March 1, 2004 will be considered as not timely filed and subject to a penalty. For failure to furnish the statement as required, or other information considered necessary to determine valuations for assessment purposes or for the apportionment of the assessment, the statute noted above provides for a penalty of 10% of the estimated tax due but not less than \$100, up to a maximum of \$50,000.

If you have any questions regarding the above, please contact me.

Sincerely,

Marlo Edwards, Assistant Director
Property Tax Division

THE UTAH STATE TAX COMMISSION

Property Tax Division

(801) 297-3600

FOR THE YEAR ENDED DECEMBER 31, 20 _____

(Name of Company)

NOTICE

It is the policy of the Property Tax Division to assess penalties in accordance with the laws of the State of Utah. It is further policy of the Division to regard any late, non-filed or incomplete return as subject to the penalties of section 59-2-202(1) and (3) described below.

UTAH CODE ANNOTATED 59-2-202 (1)(a) provides, in part, that "A person, or officer or agent...shall, on or before March 1 of each year, furnish to the commission a statement signed and sworn to by the person, officer, or agent showing in detail all property, real or personal, owned by the person in the state, including a statement of mileage in each county, as valued at 12 o'clock m. of January 1 of the year, with any other information required by the commission. (b) The commission may extend the time for filing the statement under Subsection (1)(a), except that the extension may not exceed 30 days."

It is the policy of the Division that requests for extension are never automatic (except if 59-2-202 (1)(c)(ii) is applicable) and must be received before March 1. Requests for extension must be in writing and must be notarized. The request for extension must include documentation showing that the extension is justified. An extension of the time in which an annual report shall be filed is limited to circumstances where the taxpayer can show that an extension is necessary for reasons that are entirely beyond the control of the taxpayer. An extension may be granted for no more than 30 days, and is not granted unless a written reply granting the extension is received from the Division.

UTAH CODE ANNOTATED 59-2-202 (3) provides, in part, that "Except as provided in Subsection (3)(c), the commission shall assess a person a penalty as provided in Subsection (3)(b), if the person, or an officer or agent of that person, fails to file the statement required under Subsection (1)(a) on or before the later of March 1, or if the commission allows an extension under Subsection (1)(c) for filing the statement, the day after the last day of the extension period; or any other information the commission determines to be necessary to establish valuations for assessment purposes; or apportion an assessment. The penalty described in Subsection (3)(a) is an amount equal to the greater of 10% of the person's estimated tax liability under this chapter for the current calendar year not to exceed \$50,000; or \$100.
